

Mailboxes

Owners are encouraged to have locations and design of mailboxes approved by the U.S. Postal Service during the design stage of planning their residences.

1. If freestanding mailboxes are required by the Postal Service, they shall be constructed per the attached sketch.
2. If the Postal Service allows mail boxes to be behind the sidewalk, they shall be integrated into walls or fences or constructed per the attached sketch.

(See Mailboxes [CC&FFs 4.1.7])
